

We the People Bookshelf on Freedom

As part of its *We the People* initiative, NEH has established the *We the People* Bookshelf to highlight a short list of classic books for young readers at different grade levels. Chosen in collaboration with the American Library Association, the *We the People* Bookshelf encourages young people to explore the ideas and ideals of America.

Each year, NEH selects books that share a theme important to the nation's heritage. For 2004-2005, the theme was "Freedom." Catawba County Library System was one of 1000 libraries across the country to receive a collection from the NEH.
